25 APRIL 2022

WOMZA TAR OVAL

CIRCULAR CLASS 1/2022

JUNIOR STOCK RODS

1.22 Both headlight apertures to be closed off with a blanking plate. This plate may not have any holes or slots. Any blanking plate that 'comes loose' during a heat will result in the Competitor being excluded from the Heat.

4.10.7.1 Air Cleaners must be placed in their original position or redirected to a point directly behind a headlight blanking plate.

STOCKRODS

1.25 Both headlight apertures to be closed off with a blanking plate. This plate may not have any holes or slots. Any blanking plate that 'comes loose' during a heat will result in the Competitor being excluded from the Heat.

5.5.6.1 Air Cleaners must be placed in their original position or redirected to a point directly behind a headlight blanking plate.

NATIONAL HOTRODS

5.3 Management systems may be adjusted by the Competitor at any stage.

Yours sincerely

MRS ANN BAKKES

WOMZA
